

CORPORATE PORTFOLIO

# Global Industrial References & Strategic Partnerships

Your Trusted Partner in Industrial  
Valve Solutions | 2026 Vision

 batu<sup>®</sup> VALVE

# Industrial Scale Meets European Quality Standards

## Financial & Production Scale

**\$15,000,000+**

Annual Turnover

**110,000+**

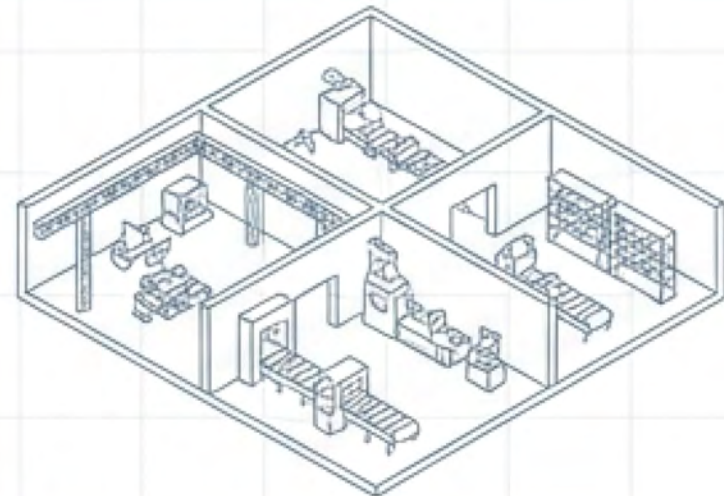

Valves Production Capacity per Year

## 100% European Raw Materials

Sourced from BGH (Germany) and Valbruna (Italy)

## 2-Year Unlimited Warranty

## Facilities

**10,000 m<sup>2</sup> Total Area**

- 7,000 m<sup>2</sup> Main Factory Batusan
- 3,000 m<sup>2</sup> Machining TDC Makina

## Human Capital

**170+ Employees**

Including specialized R&D and Engineering teams

# Validated by National Oil Companies and Global Energy Majors

## **SOCAR & KCA Deutag JV (Turan Drilling) (Azerbaijan)**

Main supplier for API 6D and DBB Valves.

## **PETRONAS (Malaysia)**

Listed on the Approved Vendor List (AVL) for Global API 6D Valves.

## **PETROVIETNAM & VIETSOVPETRO (Vietnam)**

Supply of High-Pressure Monoblock and Pig Valves for Offshore platforms.

## **SONATRACH (Algeria)**

Large-scale API 6D valve supply for national energy infrastructure.

## **PERENCO (France/Global)**

3,500+ valve installations between 2018-2023 (API 6D and DBB Valves).

## **STEG (Tunisia)**

Supply for the national electricity and gas grid.

## **ROMGAZ & TRANSGAZ (Romania)**

End-user supply for gas transmission lines.

# The Manufacturing Engine Behind World-Class European Brands

Trusted for 'Private Label' production by industry giants.

## FAS 'Flüssiggas-Anlagen' (Germany)

Exclusive Partnership.

- Production of Wafer Monoblok and European standard valves under the 'FAS' brand.

## Brunnbauer-Armaturen (Austria)

Production of API 6D DBB and high-pressure valves for the Brunnbauer brand.

## Makeen Energy (Pan-European)

Customized global valve supply for energy infrastructure.

# Meeting the Highest Standards of Western Europe
